Texas Commission on the Arts – Investing in a Creative Texas

The mission of the Texas Commission on the Arts (TCA) is to advance our state economically and culturally by investing in a creative Texas. TCA's role in state government is pivotal to ensuring that Texas is prepared to thrive in the 21st century. As prominent researchers increasingly note, our current and future economy relies on a creative workforce and creative industries.

"The Art of Ensuring a Bright Future for Texas", a 2015 report commissioned by the Texas Cultural Trust, notes that the Arts and Culture Industries play a major role in the state's overall economy. Not only does the creative economy promote innovation, but its \$5.1 billion in taxable sales contribute nearly \$320 million in annual sales tax revenue.

TCA supports and provides direction to the creative and cultural sector of Texas, resulting in positive benefits to all Texas communities. The agency's support of arts organizations throughout the state fosters the following outcomes:

- Creating and preserving full and part-time employment for thousands of Texans;
- Educating students to become creative, innovative thinkers and problem-solvers who master academic content and are better prepared for college and career tracks;
- Attracting cultural tourists, who stay longer and spend more money than other types of tourists, to the state;
- Enhancing Texas' quality of life as a way to attract businesses and a highly skilled workforce; and,
- Advancing the priorities of Texas state government to address critical community needs in the areas of economic development, criminal justice and public safety, health and human services, education, and natural resources and agriculture.

TCA believes that public investment in the arts is crucial to stimulating our economy, educating our citizens, promoting cultural tourism, and ensuring that all Texans have access to arts experiences that enhance quality of life.

The Commission is composed of nine members appointed by the governor with the advice and consent of the senate. Members must represent a diverse cross-section of the fields of the arts and be widely known for their professional competence and experience in connection with the arts. At least two members must be residents of a county with a population of less than 50,000. Members of the commission serve staggered terms of six years. The Chair of the Commission is appointed by the Governor. Commission officers are elected by Commission members and serve at the pleasure of their peers. TCA's Executive Director is the Commission's sole employee. The Commission and the Executive Director work very closely in all matters related to agency policy, programs, budget, and operations.

#### Compliance with Policy Letter

The 82nd legislature reduced TCA’s funding roughly in half and its staff by one-third, though two staff positions were subsequently restored. In 2016 TCA’s administrative costs are extremely low and staff is at a minimum. Therefore, after careful consideration, the agency has reduced its GR-related funding for strategy A.1.2 Arts Education Grants to absorb the 4% reduction described in the Policy Letter. Despite reduced GR-related funding, the Arts Education Grants strategy has a diversified funding base, which includes appropriated receipts, enabling the agency to continue to support Arts Education projects, albeit at a lower level. Reducing the agency’s Arts Education budget would have the effect of reducing the average grant size, rather than the number of grants, thereby requiring the same staffing levels. Arts Create, Arts Respond, and Performance Support and Agency Initiatives programs all would be affected relatively equally by this reduction. By preserving strategy A.1.1 Arts Organization Grants, the agency could still comply with its enabling legislation, as described in Texas Government Code, Section 444.024. Cutting the grants budget for Arts Education programs could negatively impact the following key measures:

- Percentage of Grants Funded for Arts Education
- Number of Artists Compensated for TCA Texas Touring Roster Performances
- Number of Texas Cities in Which Organizations Received TCA Grants
- Number Served by Arts Respond Projects in Education
- Number Served by Arts Respond Projects in Health & Human Services
- Number Served by Arts Respond Projects in Public Safety & Criminal Justice

#### Significant Changes in Policy

During the current biennium, TCA experienced no major changes in its policies. The agency restructured its grant programs in 2009-2010, resulting in a more efficient and simpler process for constituents. In TCA’s recent Report on Customer Survey, the field’s response was overwhelmingly positive about TCA’s services to the field.

Statewide listening tours with TCA constituents have reinforced that TCA's grant programs and services are extremely valuable and much improved under the current administration.

Significant Changes in Provision of Service

The 84th legislature appropriated grant funding to support Cultural District projects for the first time since the program's inception in 2005. As authorized by H.B. 2208 of the 79th Legislature, TCA designates Cultural Districts in cities across Texas in order to harness cultural resources to stimulate economic development and community revitalization. Over the 2016-17 biennium, TCA will have extended Cultural District grants to provide funding for approximately 50 prominent, highly-visible projects, exhibitions, festivals, etc. that use the arts to achieve one or more of the following goals:

- Attracting artists and cultural enterprises to the community;
- Encouraging business and job development;
- Address community-specific needs;
- Establishing tourism destinations;
- Preserving and reusing historic buildings;
- Enhancing property values; and/or,
- Fostering local cultural development.

Early demand for Cultural Districts grant funding has been exceptional and the returns are promising. TCA looks forward to continuing this work and expanding on its early success during the 2018-19 biennium.

Significant Externalities

Looking forward, two major demographic shifts on the horizon are expected to significantly impact the organizations that TCA serves. One is the aging and retiring leadership in non-profit organizations. The other is the shift in the demographic makeup of the state. The combination of these factors will require TCA and its constituents to reexamine both how we do business and our roles in contributing to the state's economy.

Recent articles describing a so-called "The Creativity Crisis" find that Americans are falling behind in creativity. Critical issues facing our citizens and communities, as well as government, require creative solutions and innovative approaches. TCA's work in support of the creative industries assists in finding creative solutions to challenging problems.

Many creative organizations throughout the state provide arts and cultural services that expand far beyond the walls of a theater, concert hall, or museum. Through their efforts in education and community outreach, they contribute positive solutions to the problems facing the state. These organizations equip a creative workforce for the 21st century, so it is forward-thinking and prudent for Texas to invest in these areas.

**Purpose of New Funding**

For the 2018-19 biennium, TCA requests no exceptional items beyond its base-level funding.

**10% Base Reduction**

After careful consideration, TCA would elect to further reduce its budget for strategy A.1.2 Arts Education Grants programs to accommodate the first incremental 5% base reduction. The agency's administrative costs are extremely low, and its staff has been reduced to a minimum. By preserving Arts Organization grants, the agency could still comply with its enabling legislation, as described in Texas Government Code, Section 444.024, and would continue to support Arts Education projects, albeit at a significantly lower level.

To accommodate an additional 5% GR-Related base reduction, the agency would elect to reduce its budget for strategy A.1.3 Cultural Tourism Grants programs. By preserving Arts Organization grants, the agency could still comply with its enabling legislation, as described in Texas Government Code, Section 444.024, and would continue to support Cultural Tourism projects at a significant, albeit lower, level.

**Other**

TCA serves thousands of constituents across all pockets of the state and struggles to adequately fund travel costs related to its grant monitoring activities, in addition to travel for Commissioners' meetings and legislative activities, staff professional development, and other Commission business. Art. IX, Sec. 5.02 of the General Appropriations Act limits annual travel expenditures to that amount itemized in the OOE listing of an agency's bill pattern. The agency's annual travel limit of \$33,873 during the 2016-17 biennium is roughly one-third of the annual limit in effect during the 2006-07 biennium. In this LAR, the agency seeks a \$10,000 increase to its annual travel cap for the 2018-19 biennium. Note that the agency does not seek any additional funding in this regard, but is simply requesting additional spending authority and would absorb the cost by redirecting resources within its existing base funding.

Additionally, the Comptroller has selected Texas Commission on the Arts to implement the Human Resources and Payroll/Personnel module of CAPPs in June 2018. TCA anticipates internal staff time and related soft costs to represent the bulk of all costs incurred relating to the CAPPs deployment; thus, there is no request for additional funding in this area.

Finally, TCA does not have statutory authority to conduct background checks.

Conclusion

The creative industries in Texas contribute significantly to the state's economic health and the potential exists for these industries to grow and thrive even more. As philanthropic resources become increasingly scarce in many corners of the state, TCA ensures Texas remains competitive with other states that invest significantly more in the arts and culture sector. This Legislative Appropriations Request represents a reasonable goal that will further protect Texas' high quality of life and sustain its reputation as a great place to do business. TCA's work is crucial in developing in Texas a creative workforce that can respond effectively to current and future economic challenges. This can only be achieved when the State of Texas adequately invests in the creative industries.

The Texas Commission on the Arts invests public funds in the form of grants to established arts organizations to help them produce the best artistic offerings in the country.

Arts Create provides two-year operational support to established arts organizations. The program is intended to advance the creative economy of Texas by investing in the non-profit arts industry of the state. Arts Create is intended for overall operational support and does not fund specific programs.

Arts Respond is a grant program for all arts organizations and uses the arts to respond to the critical issues facing the state of Texas. This program provides project assistance grants on a short-term basis and may include administrative costs directly related to the project.

Performance Support grants fund professional fees for schools, libraries, and nonprofit organizations that hire artists from the TCA Touring Roster to perform. Agency Initiatives are programs where outside donors have designated gifts for specified purposes. Occasionally, the Commission may designate funds for other initiatives.

**STRATEGY DESCRIPTION AND JUSTIFICATION:**

The Texas Commission on the Arts works with the Texas Education Agency and with the arts education community throughout Texas to ensure that creative arts are a basic component of education. TCA grants funds to public and private schools and non-profit organizations which provide integral, curriculum-based activities for students and teachers through vibrant art-based programs.

**EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:**

Although it mandates that arts education should be provided to all students, current law does not specify how schools should address this mandate. The result is that the scope of arts education in Texas public schools varies greatly among districts and campuses. For these reasons, almost all non-profit arts organizations have developed educational programs to assist in bridging the gap in arts instruction. TCA funding to these nonprofit arts organizations supports programs that focus on arts activities that are aligned with the TEKS. TCA anticipates a continued rise in arts education grant applications due to arts instruction being reduced or eliminated in some public schools because of budgetary constraints, lack of staff expertise, and constraints around graduation requirements.

**STRATEGY DESCRIPTION AND JUSTIFICATION:**

The Texas Commission on the Arts is one of the five primary state agencies charged with the development and promotion of Texas as a tourism destination. The agency awards Cultural Tourism grants to organizations in marketable visitor destinations based on a combination of the unique experience offered by a community's arts, cultural, and heritage resources.

**EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:**

TCA continues to place a high value on cultural tourism and is grateful for the actions taken during the 84th legislative session, which committed significant resources to the agency's Cultural Districts grant program. The agency continues to work with its tourism MOU partners, but has been challenged in maintaining a sustained effort with fewer staff dedicated to marketing and promotion.

**PROJECT DESCRIPTION**

**General Information**

Texas Commission on the Arts has been selected for deployment of the Human Resources and Payroll/Personnel CAPPS module beginning June 2018. The project will replace the existing HR and Payroll/Personnel systems, which were developed in the mid-1990's, and enhance the efficiency and usefulness of these functions in the agency's Indirect Administration area. Postponing deployment would perpetuate the usage of outdated and cumbersome legacy systems.

**B. Assessment of Fiscal Year 2014 - 2015 Efforts to Meet HUB Procurement Goals**

**Attainment:**

The agency attained or exceeded 1 of 2, or 50%, of the applicable agency HUB procurement goals in FY14.

The agency attained or exceeded 1 of 2, or 50%, of the applicable agency HUB procurement goals in FY15.

**Applicability:**

For fiscal years 2014 and 2015, neither the Heavy Construction, Building Construction, Special Trade Construction, nor Professional Services categories were applicable to agency operations.

The mission of the Texas Commission on the Arts (TCA) is to advance our state economically and culturally by investing in a creative Texas. Accomplishing this mission requires a very narrow scope of business operations. Essentially, the agency provides grants and administers these grant programs. Such a narrow scope of business activities eliminates the occasion for procurement in the Heavy Construction, Building Construction, Special Trade Construction, and Professional Services categories.

**Factors Affecting Attainment:**

The majority of the agency's annual spending in the Other Services category is represented by a single IT service augmentation contract with a non-HUB vendor whose long-standing and highly-specialized knowledge of the agency's Grants Management System justifies this ongoing business relationship. The second largest annual expenditure in the Other Services category consists of reimbursements of out-of-pocket travel, lodging, and incidental expenses incurred by evaluators who volunteer their time and expertise reviewing grant applications and making recommendations for Commission approval. The pool of evaluators includes a significant

number of women and individuals from other historically underrepresented groups; however, like our grantee organizations, these private citizens are not registered HUBs.

**"Good-Faith" Efforts:**

Given the agency's overall limited procurement needs, Texas Government Code first-choice supplier provisions, and that there are few qualified HUB providers of the few Other Services the agency does utilize, opportunities for additional HUB utilization are limited. The agency remains strongly committed to purchasing goods and services from HUB vendors, wherever feasible.

**REVENUE ASSUMPTIONS:**

Arts Operating Fund Account #334 balances consist primarily of State of the Arts specialty license plate sales revenue and depository interest earned on or before 8/31/13. Beginning 9/1/13, new license plate revenues are deposited to the agency's credit in the License Plate Trust Fund Account #802 and interest accruing on the balance of Arts Operating Fund Account #334 is deposited to GR. Appropriated receipts continue to be deposited to Arts Operating Account #334.

In the spring of 2015, the 84th Legislature appropriated to the agency in 2016-17 the estimated balance of funds remaining in Arts Operating Fund Account #334. However, the Governor's subsequent veto of the agency's A.1.3 CULTURAL TOURISM GRANTS strategy appropriation in FY17 included an estimate of \$151,187 in GR-D Arts Operating Account #334. Therefore, the balance of funds at 8/31/17 will be the residual balance that was subject to the Governor's veto, the actual amount of which the agency estimates will be \$129,912. This appropriations request assumes that the 85th legislature will appropriate the remainder of the fund to the agency in the 2018-19 biennium.

Depository interest on these balances is also deposited to the credit of the agency in the License Plate Trust Fund Account #802. Sales of the State of the Arts specialty license plate, which was once among the top-performing specialty plates, have declined from well over \$400,000 per year a decade ago. The declining sales trend appears to be leveling-off, however, and the agency anticipates earning around \$200,000 per year for the foreseeable future.

<b>1 Arts Education Grants</b>							
<b>Category:</b> Programs - Grant/Loan/Pass-through Reductions							
<p><b>Item Comment:</b> After careful consideration, the agency would need to reduce its grants budget for Arts Education programs to accommodate the cut. This initial 5% reduction in Arts Education funding would impact the Arts Create, Arts Respond, and Performance Support and Agency Initiatives programs relatively equally. TCA's administrative costs are extremely low and staff has been reduced to a minimum. Reducing the agency's Arts Education budget would have the effect of reducing the average grant size, rather than the number of grants, therefore requiring the same staffing levels. By preserving Arts Organization grants, the agency could still comply with its enabling legislation, as described in Texas Government Code, Section 444.024. TCA would continue to support Arts Education projects, albeit at a lower level. It is anticipated that this cut would impact neither the agency's Federal Funds revenues, nor its collection of donations and specialty license plate sales revenues. Cutting the grants budget for Arts Education programs could negatively impact the following key measures:</p> <ul style="list-style-type: none"> <li>-Percentage of Grants Funded for Arts Education</li> <li>-Number of Artists Compensated for TCA Texas Touring Roster Performances</li> <li>-Number of Texas Cities in Which Organizations Received TCA Grants</li> <li>-Number Served by Arts Respond Projects in Education</li> <li>-Number Served by Arts Respond Projects in Health &amp; Human Services</li> <li>-Number Served by Arts Respond Projects in Public Safety &amp; Criminal Justice</li> </ul>

**2 Cultural Tourism Grants**

**Category:** Programs - Grant/Loan/Pass-through Reductions

**Item Comment:** To accommodate an additional 5% GR-Related base reduction, the agency would elect to reduce its grants budget for Cultural Tourism programs. Such a reduction would impact the Arts Create, Arts Respond, and Performance Support and Agency Initiatives programs relatively equally. TCA's administrative costs are extremely low and staff has been reduced to a minimum. Reducing the agency's Cultural Tourism grants budget would have the effect of reducing both the average grant size and the number of Cultural District grants, with no change to staffing levels. Despite a significant cut to Arts Education grants via the initial 5% reduction, and this substantial cut to Cultural Tourism grants, the agency would be able to preserve Arts Organization grant funding, in compliance with its enabling legislation, as described in Texas Government Code, Section 444.024. It is anticipated that this cut would impact neither the agency's Federal Funds revenues, nor its collection of donations and specialty license plate sales revenues. Cutting the grants budget for Cultural Tourism programs could negatively impact performance in the following key measures:

- Percentage of Grant Dollars to Rural Counties
- Number of Artists Compensated for TCA Texas Touring Roster Performances
- Number of Texas Cities in Which Organizations Received TCA Grants
- Number Served by Arts Respond Projects in Education
- Number Served by Arts Respond Projects in Health & Human Services
- Number Served by Arts Respond Projects in Public Safety & Criminal Justice
