MONDAY RUFUS & CO., P.C. (MR & CO.) has been a member of the American Institute of Certified Public Accountants (AICPA) since its formation and is enrolled in the AICPA's peer review program. Peer reviews determine if a CPA firm's system of quality control complies with professional standards. The peer review must be conducted by an independent reviewer. The AICPA oversees the program, and an entity approved to perform the role will perform the review. Firms enrolled in the AICPA's Peer Review Program are required to conduct a peer review once every three years. During MR & CO.'s peer review, the peer reviewer performs a thorough review of the firm's system of quality control, which includes reviews of government (including internal audit), nonprofit, and commercial engagements. As has been noted in the past, MR& CO.'s most recent peer review resulted in a rating of *Pass* (the highest peer review grade that can be received by a CPA firm), indicating compliance with the quality control standards established by the AICPA. We provide a copy of our most recent peer review report and acceptance letter below.
